

Stewardship: Think- The followers of Christ are not to despise wealth, as the Lord's entrusted talent. By a wise use of His gifts, they may be eternally benefited, but we are to bear the fact in the mind that God has not given us riches to use just as we shall fancy, to indulge impulse, to bestow or withhold as we shall please. We are not to use riches in a selfish way, devoting them simply to our own enjoyment. This course would not be doing right towards God or toward our fellow men, and would bring at last only perplexity and trouble...

But without faith it is impossible to please him: for he that cometh to God must believe that he is; and that he is a rewarder of them who diligently seek him.
